

# SERVICE

As testimony to our ongoing and unwavering commitment to providing the highest level of service to our customers, we are proud to introduce the newest member of the Mapex Team - The Mapex Service Truck (MST)<sup>SM</sup>!

The MST<sup>SM</sup> is custom-fitted with all the equipment and tools necessary to perform basically any in-field mechanical service or repair – day or night!

Now there is no need to transport your valuable equipment from the field to the workshop for most repair work, servicing, and general maintenance - let the MST<sup>SM</sup> come directly to you!
